

IN SOLIDARITY WITH THE CLARETIAN UNIVERSAL MISSION

May 2005

GO INTO THE WORLD AND PROCLAIM THE GOSPEL

“Helping the poor today brightens their lives tomorrow”. Your prayers and financial help, combined with our own efforts, can make the difference. As missionaries, we go beyond meeting the basic needs of the people.

We help the people through different projects like scholarships for the poor and less privileged children and youths, construction and reconstruction of churches, health centres, schools, houses for the people, and socio – economic projects for human formation, promotion and development.

With the help of dedicated friends, benefactors and benefactress like you, we would reach to many people in need:

For your donations or offerings, please feel free to contact any of the Claretian Missionaries around you, specifying your intentions, or you could as well reach us through the address below:
