The News Bulletin of the Northeast Independent Delegation Vol. XX No. 1 May, 2007

MESSAGE

In the Style of Mary's Visit

With the inauguration of the Northeast Independent Delegation on April 20, 2007, we began to write a new Chapter in the development of our Mission in this region. We raise our hearts in gratitude to the Almighty God for his marvelous guidance and beg him to bless all those who have contributed in one way or other to our life and ministry. We would like to dedicate this News bulletin to the Visit of our Blessed Lady to St Elizabeth, which we celebrate on May 31st. After the visitation of Mary, Zechariah praises God, by saying that God has visited his people (Lk.1:67-68). In a decisive way God in Christ visited his people through the Blessed Virgin Mary.

The Visitation of Mary to Elizabeth precedes the great mystery of Annunciation. In the Annunciation she was filled with the Holy Spirit, Word of God and burning charity, which is translated into the mystery of Visitation to share God's love with Elizabeth, who is in need. This visit of Mary continues at Cana, where they had the shortage of wine, and she visited and encouraged her beloved Son on the way to Calvary and stood at the foot of the Cross. Her visitation continues in gathering the disciples in prayer as they began to come into terms with the reality of Jesus' suffering and death. She visited her people by specially appearing in Lourdes and Fatima, over and above she accompanies the Church, on her pilgrim way.

At the visit of Mary the child in Elizabeth's womb leapt for joy. Today the world is thirsting for the same joy of hearing the Word of God. Pope Paul VI writes in *Evangelii nuntiandi*, "May the world of our time which is searching, now in anguish and in now in hope, receive the gospel not from evangelizers who are dejected or dispirited, but from those who, having received the joy of Christ into their own hearts, are ready to risk their lives so that the kingdom may be proclaimed and the Church established throughout the world" (En. 80).

Today God needs you and me to visit his people and thereby explore the meaning of our existence by exhibiting the joyous living of our vocation. Our Father, St Anthony Mary Claret continued this visitation with burning charity, as he traveled from place to place, preaching the Word of God in the style of Jesus and Mary. He writes in *Autobiography*, "I am ever more deeply impressed at the thought of Jesus moving from town to town, preaching everywhere..." (No. 221). He is inviting his missionaries to offer their lives as a continuous visitation of God in the following way, "A Son of the Immaculate Heart of Mary is a man on fire with love, who spreads its flames wherever he goes. He desires mightily and strives by all means possible to set everyone on fire with God's love..." (*Autobiography* 494). We shall pray that God may continue to visit the Northeast India through our personal and community life and ministry, as he visited the humanity through Mother Mary, the Patroness of our Congregation.

the Province of Germany and our benefactors there for generously and lovingly building up the Indian branch of the Claretian Congregation.

Hearty Welcome to Rev. Fr. Peter Schuetz, CMF

It is our pleasure to extend a warm welcome to Rev. Fr. Peter Schuetz, CMF., to the Northeast India when he visits us from May 18 to 21, 2007. In the year 1969 he visited Shillong in order to study the possibility of starting the first house of the Claretians in India. He writes to Fr. Joseph Pulickal on March 27, 2007 about that visit. "I went to the Northeast in 1969 together with Fr. Joseph Madhavath. I don't remember many details of that trip. Since it was my first visit to India we wanted to make a certain research how to start our work in

India.... As a whole we had a very positive impression of the bishop and the missionaries.... Naturally I am very happy that after all, the plan to work in the Northeast has come to a reality after almost 40 years. And above all that region has become an independent organism of our Congregation. May God bless you abundantly in the future as he did in the past, so that the Congregation will develop in number and spirit".
